**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer who supports broadband competition. After years of being "stuck" with the AT&T monopoly, I left that company for a small locally run internet provider and have had superior internet and phone service and lower prices as a result. If you allow AT&T to control the narrative once again, I know that my service and low prices will suffer. AT&T's long term goal is to run all the small companies out of business and to again become the "mighty monopoly " they once were. Do not let this happen and keep competition alive.
